

QUALITY

RECREATIONAL
VEHICLES

For over 50 years, our goal has been to connect families with the outdoors. When our customers hit the road, they can focus on their adventures and trust their KZ to get them where they want to go. Our attention to quality and craftsmanship is unwavering; we sweat the details so our customers don't have to.

HOW WE STAND OUT FROM THE REST!

THE RELENTLESS PURSUIT OF QUALITY

In-Line Quality Approval progresses to Mid-line Approval to Final Quality Approval (hitch to bumper) (Every Unit)

Dedicated technicians to perform full systems check on all units, including gas, electrical, and water systems checks. (Every Unit)

300 Point Inspection – Random units are pulled off the line and run through an extensive rigorous 300-point inspection including rain/leak tests, electrical, plumbing lines, etc. Comprehensive 8 Hr (avg.) Inspection. (Daily)

Executive Performance Audit – Random units are pulled from the line and run through a meticulous inspection by our President, VPs, GMs, and Product Managers ensuring the quality meets or exceeds the expectation of our brand (Weekly)

Best warranty in the industry – Hitch to bumper 2-year limited warranty (select brands)

20 years of DSI Quality Awards by Industry Experts
